Dear Hiring Manager,

I am writing to express my interest in the Software Engineer position at MLB. With a strong background in frontend and backend end web development, database management, and a recent push into AI-powered applications, I am excited about joining your team and contributing to your mission of leveraging cutting-edge technology to create exceptional playback experiences for all users.

During recent projects at NeoSaas, I have been focusing on the development of AI-powered apps utilizing the OpenAI API. My responsibilities included structuring the AI, designing and implementing a robust backend, and streamlining the debugging processes to ensure swift resolution of issues. Additionally, I have worked extensively on enhancing the user experience of the app, ensuring that the platform delivers intuitive and user-friendly interactions.

Additionally, my experience as a UX Design intern has provided me with valuable insights into the importance of effective communication and collaboration across interdisciplinary teams. Through conducting interviews and collaborating closely with various stakeholders, I have honed my ability to translate user needs into innovative design solutions, particularly within the FinTech sector.

I am drawn to MLB because of its commitment to staying at the forefront of new technology and its emphasis on promoting growth, teamwork, and professionalism in the work environment. I am impressed by the company's dedication to the "Team" to ensure that there is a strong, healthy work life.

I am excited to bring my skills and expertise to the Software Engineer position at MLB. I am currently working on my senior project, utilizing AI and Machine Learning to create customized cocktails based on user preferences, demonstrating my passion for innovation and problem-solving. Additionally, I have developed a cash-based income expense budgeter and finance tracker, showcasing my ability to deliver practical and impactful solutions.

I am excited about the opportunity to contribute my skills and collaborate with the team at MLB. Thank you for considering my application. I am looking forward to the opportunity to discuss how I can contribute to the innovative projects at your company. You won't 'strike out' with me!

Best,

Mitchell Schuldinger
